Formulary by Class

Effective Date: April 24, 2024

### **CDPH/OA/ADAP Program Dispensing Polices**

- Drugs marked with "^" require a prior authorization for specific diagnosis or circumstance. Prime Therapeutics Management will request additional information (client and drug specific) before considering the authorization. Please call 800-424-5906 or check website for diagnosis or specific PA form at <u>cdph.primetherapeutics.com</u>.
- All drugs are to be dispensed with a maximum 90-day supply for uninsured clients. Insured clients may receive a dispense of up to a 90-day supply.
- Refills may be obtained after 80 percent of the previously dispensed days' supply has been used; however, there is an annual maximum of 13 fills per prescription.
- DEA class II and III drugs when quantity exceeds 120 and 240 respectively, require an override from the Pharmacy Call Center by calling 800-424-5906.
- CDPH/OA/ADAP mandates the use of generic products whenever possible in accordance with applicable law or regulations.
- Dispensing a brand name product when a generic is available requires a DAW 1 code and calling the Pharmacy Call Center at 800-424-5906. Exceptions are noted by drug.
- Hematological and Antineoplastic agents must provide a copy of the original RX for first fill.
- All Antiretroviral combinations are screened against the most recent DHHS guidelines for the use antiretroviral therapy in adolescents and adults <u>https://clinicalinfo.hiv.gov/sites/default/files/guidelines/documents/AdultandAdolescentGL.pdf</u> for high dosage and non-recommended combinations. Regimens not conforming to these guidelines may be rejected at adjudication.
- Medications from manufacturers who are noted to be re-packagers are excluded from reimbursement through CDPH/OA/ADAP.
- For a list of the drug manufacturers or manufacturer label codes that are excluded from reimbursement through CDPH/OA/ADAP, check the website at <u>cdph.primetherapeutics.com</u>.

**Note**: there may be some **specific dose forms** of products on this formulary that may **not be covered or require prior authorization**. You can verify drug coverage by dialing the toll-free Prime Therapeutics Management phone number listed below and select option 8 to speak with a live Pharmacy Call Center Representative. You will need your pharmacy National Provider Identifier (NPI) number and the drug's 11-digit national drug code (NDC). (Prime Therapeutics Management at 800-424-5906).
